

The Voorhees Rotary **Great Jersey Peach** Fundraiser

To support the new Voorhees *For the Kids* Fund

Order fresh, sustainably-grown, New Jersey fruit direct from local family-run cooperative farms.

It's a Win/Win for You:

Get a great price for top grade Jersey peaches, support our local growers and help Voorhees elementary school students all at the same time!

Profits Earned Will Support Voorhees Elementary Students in Need.

Your contribution will be used to make funds available to Voorhees elementary teachers to provide healthy snacks to any children in their classrooms that may be in need.

The ***For the Kids Fund*** is a program of the Voorhees Breakfast Rotary Club to help Voorhees children who do not have enough to eat while at school. Food insecurity exists here and now in our town among students in all of our elementary schools.

Let's do something about it. Let's do it for the kids.

Here's How it Works:

Order beautiful sustainably-grown peaches directly from our portal at farmhousefruit.com/vbr/ prior to August 23.

You can pay online through PayPal using any major credit card.

Your peaches will be available for pickup at the Voorhees Middle School on Saturday, August 26 (9am -1pm – drop off area in front of school).

Rotary Club members will be standing by to swiftly give you your order.

That's it - Click to order and enjoy delicious Jersey peaches!
